Reporting your child's absence

If your child is sick or is absent for any reason, you must ring the school and let us know as soon as possible, including the 'specific' reason for absence. There is a facility to just leave a message on the school phone at any time.

Every day we check the registers for absences and if we have not received a message we will ring you to find out why they are absent. However, the responsibility is with the parent to contact the school. We should only need to ring you in an emergency.

Please note that we will ring all your contact numbers until we get a response.
