

Third Sunday on Lent - John 2: 13-25

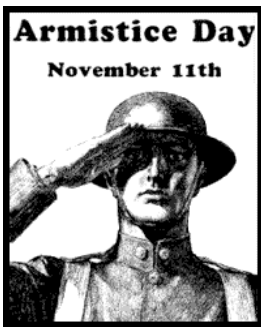

Jesus turns over the tables of the money lenders in the Temple. He is furious that God’s house is being used like that. He says he will destroy it and rebuild it in 3 days. He was, of course, talking about his own body through death and resurrection.

Longridge Cluster Schools’ Armistice Project

Many of you may remember the success of ‘Lest We forget’, a theatrical project of Remembrance at the Guild Hall in 2013.

In November 2018, as part of the Longridge Cluster of Schools, we will be joining forces again to perform Armistice, a World War 1 Remembrance production, again at the Guild Hall. This production will be an extravaganza of music, dance and poignant, thought provoking drama.

Should you wish to know more, you can follow the

Facebook page by searching for ‘Longridge Cluster Schools Armistice Project’.

Keep Sunday 11th November free and look out for more information to follow.

Request: Does anyone have any metal working links or know people who do? Schools in the cluster would like to arrange permanent memorials to WW1 in their school grounds.

Does your child currently have school milk?

We are seeing lots of milk left over each week and it concerns us that parents are paying for it, but their children are not drinking it.

Please check that your child is having their milk and that they wish to continue. Thank you.

Thank you to everyone who visited the book bus yesterday. The school will receive £90 in commission to buy books for the library.

Dear Parents/Guardian,

As a school, it is very important that our parents/guardians are informed of updates and changes at school in addition to the personal updates you will receive about your child's progress and wellbeing.

From the week commencing Monday 5th March, the text messages you receive from school will appear differently on your phone.

Our service provider, Teachers2Parents, are excited to introduce an additional new security verification measure to allow parents/guardians to check that the messages you receive are from school.

Much like telephone banking, you will continue to receive messages from a secure number with the school message ID now in the body of the message, accompanied with a link at the beginning of the message to click through to a Teachers2Parents verification page; confirming that the sender of the message is genuine.

This added security measure is another step forward to help reassure parents/guardians of the safety and wellbeing of your child at school.
