

Extra Curricular and After School Clubs 2017.18

Dear Parents

Your feedback often states that you would like more extra curricular and after school clubs for your children. We have tried hard to extend what we offer again this year and ask you to look at the opportunities on the opposite page.

Many are free because they are offered by teaching staff. Others are paid for activities, delivered by support staff or outside providers. Please note that other opportunities will be advertised throughout the year as they arise.

Cancellation of clubs due to unforeseen circumstances does happen occasionally. We will always try to give you advance notice when this is necessary. On this basis, please do not use the clubs as child-care.

Please select the clubs, appropriate to the age of your child, that you wish them to attend. Send it back to school and we will try our best to accommodate everyone's choices.

The club leader will let you know if your child has a place as some clubs have a maximum number that can take part. Further details of each club will be passed on by the club leader.

If any parent would like to offer a club, please get in touch.

Thank you

M FitzGibbon
