

## **MISSION STATEMENT**

*'To develop the whole child, leading them towards reaching their full potential within a Catholic Environment'*

---

### **THE SCHOOL AIMS**

- to recognise and celebrate the presence of God in all that we do
- to provide opportunities for the experience and development of a real and meaningful relationship with God our Father
- to create a Christian ethos and a caring school environment in which every child is valued and each is given equal treatment and personal care and consideration
- to address the needs of the individual child within the school curriculum, to meet requirements of the National Curriculum Programmes of Study for each Key Stage and to ensure that considerations of relevance, breadth, balance, progression and continuity are fundamental to our curriculum plans
- to develop the child's individuality, independence, self-image, self-respect, self-discipline, integrity and sense of responsibility
- to promote positive relationships and good communications throughout the school community
- to foster firm partnership between school, home and parish
- to develop firm links with pre school agencies and secondary schools in recognition of the continuous nature of the education process, and to foster strong and supportive relationships with neighbouring primary schools
- to utilise the external support agencies as required in support of children with special learning needs
- to encourage parental involvement in the education process and in the development of the school
- to ensure that no distinctions are made on grounds of gender, race, disability or religious belief
- to encourage the development of courtesy and consideration for others
