Wonder Week at Alston Lane: 9th to 13th April 2018

Let's Create

Dear Year 2 Parents

The new term will start again with Wonder Week, filled with creative activities that promote Design Technology. The children will be designing, planning, making, testing and evaluating throughout the week. This class will be studying:

Textiles

Your child will be designing and making a finger / glove puppet out of felt. They will learn how to stitch materials together and think of ways of adding detail to their design. To help fund this project we are asking for a voluntary contribution of £1 per child.

The children's attainment and progress will be shared in their spring term report cards which will be sent home on Tuesday 10th April. In the meantime, if you have any questions about their work or happiness in school, please get in touch.

I would like to take this opportunity to wish everyone a happy and restful Easter holiday.

Yours sincerely

Mrs Rachel Woodrow
