## Fact Sheet

### Nursery Education

The Unit provides 3 hour sessions of pre-school education from 9.00 to 12.00am and 12.00 to 3.00pm Monday to Friday. Wrap around care can also be booked; please see further information and charges below.

The Nursery unit forms an extension of the school's high quality early years provision and will be overseen by Miss Rushton our EYFS leader and Reception class teacher.

**In September 2018** the cost for 3 hours will be £12.00. This can be paid for with your nursery funding. **Every child who has reached the age of 3 is eligible for 15 free nursery hours.**

Children whose parents are both working may be eligible to claim **30 hours free** nursery childcare. Please speak to a member of the Nursery staff if you would like more information on how to claim this.

### Accommodation

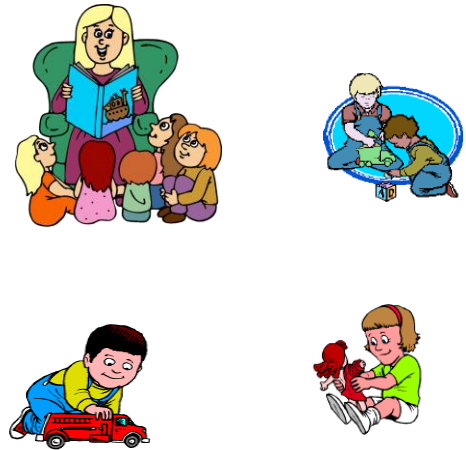

The nursery class is situated in its own separate building that is shared with our thriving Out of School Club.

The building complies with Ofsted requirements for the care of children from the age of 2 and is subject to the same rigorous health & safety maintenance checks and regulations as the school.

### Our Staff

From September 2018, the Nursery will become part of the school and will be run by our current long serving teachers Miss Lonsdale and Mrs McAllister. They will be supported by Mrs Harrison and Miss O'Neill along with other teaching/nursery assistants.

The Nursery will be led by Miss Rushton our Early Years and Foundation stage leader.
