

May 2017

Can anyone help? As part of including the wider community in the children's learning we are looking for: parents or grandparents who could come into nursery to read a story; parents who can come and share a skill or what they do for a living; families with young babies who could come in and talk to the children about caring for a new baby... We appreciate your involvement and you would be fully supported by the staff if you share your time with us.

Free 30 hour childcare.

The new 30 hour free childcare for 3-4yr olds starts in September! This is a really exciting opportunity for lots of families. We are pleased to be accepting the funding and don't want any one of our families to miss out!

Parents (whether two-parent or lone parent) who are working (and earn more than £120 per week each) may be eligible. There is an income cap of £100K per year.

For more information, to check eligibility and apply: www.childcarechoices.gov.uk/

Fire safety procedure!

Your child may have mentioned we have been practising our fire safety procedure. We have done it every day this week so all children have been involved.

Growing and planting!

We are going to be doing lots of planting over the next fortnight and hopefully growing things! We are hoping for potatoes, peas and strawberries!

Our outdoor music area!

We are looking to develop our outdoor music area. We want it to be unique and different from the musical opportunities we have indoors.

We are looking for donations of old saucepans, baking trays, wooden/metal spoons/spatulas etc., metal dustbin lid, bells, wind chimes etc... Many thanks!

Please remember to sign your child into/out of nursery. Please remind anyone else who is collecting your child.

A-Star Sports club re-starts on Thursday 8th June for 5 weeks. £10 per child. This proved very popular last term. Ask for more information.

Adrian from A-star sports will also be hosting our Sports Day! Date to be confirmed.
